

TOWER GROVE  
— PARK —

ANNUAL REPORT  
2020

## ANNUAL HIGHLIGHT

### Leadership and Creativity

Although a challenging year, it was also one of opportunity, allowing our dedicated staff to show leadership and creativity in providing a safe space for St. Louis. Learn more about our accomplishments from creating pedestrian-only access to delivering innovative public programs.

[READ MORE | PAGE 4-5](#)

# Our Leadership

When our fiscal year began in July 2019, we were proud of significant growth in community events, conservation, membership, and education. We had expanded our free public programs and maintained a level II arboretum status, among other accomplishments. The park's achievements were owed to our strengthened community partnerships and growing audience of visitors. Then the world changed.

The coronavirus (COVID-19) became a global pandemic toward the end of our fiscal year. Many of our events and rentals were canceled or postponed, resulting in revenue loss as well as uncertainty how to deliver our public programming. What did not change was our commitment to providing a safe, welcoming space for all of St. Louis.

For many people, Tower Grove Park became a sanctuary. As a haven, the park provided visitors with connection to nature, beauty, and community—much needed for physical and mental wellness during the panic of the pandemic. The power of parks became a global discussion as people realized the importance of green space to city infrastructure and public health. Parks are necessities, making our cities better places to live, work, and play.

The new understanding and appreciation translated into immense support from our community as we recovered.

We reached the highest number of members the park has ever had—almost triple from just a couple years ago. Those membership dollars immediately went toward preserving the arboretum and historic structures, like the popular, red-striped Turkish Pavilion, that make the historic park unique and invaluable.

Although challenging, the past year has been one of opportunity. At Tower Grove Park, our team showed creativity and leadership during the pandemic by closing the roads for pedestrian-only access and creating safe, innovative events. We understand the importance of in-person networking and community programs, but we adapted, like many, and know we will be back there soon enough. Until then, the park will continue to make events virtual or curbside, offer online educational resources, and prepare for another period of adjustment and creative thinking.

We must conclude by expressing our gratitude for support of the park during a difficult year. Support comes in many ways—from financially through membership to volunteerism at Plant it Forward. Thank you to everyone who loves and visits the park, because every day you remind us of the importance of stewarding this magnificent land for all to enjoy. Tower Grove Park will emerge brighter and more relevant to the success and well-being of our city.

Gratefully,

William E. Reininger, Jr.  
*Executive Director*

Steve Kidwell  
*President, Board of Commissioners*

# Community

## **Pedestrian Only Access**

Globally, parks have expanded pedestrian-only access by limiting cars in public spaces. During the spring of 2020, Tower Grove Park closed all the roads to allow extra space for social distancing. More people visited the park than normal, and visitor safety was our top priority. Many communities requested the park extended the closures, so our staff created monthly car-less days.

## **New Addresses**

In July, the park updated the addresses and roads with USPS and the City of St. Louis to allow each pavilion, building, and site to have an independent address. The new addresses make the park more accessible and easier to navigate. The roads were never in the City's database because the park is independently managed. Now, guests can easily find their specific pavilion with Google Maps.

---

**335,000**

page views on the  
park's website

**200,000**

visitors attended  
events in the park

**60,000**

social network  
followers

### **Safe, Innovative Events**

Tower Grove Park hosted the first-ever Frosted, turning the Piper Palm House into a magical winter wonderland. Shortly after, guests raised their glasses and crucial funds for the park at Whiskey for the Woods. In the summer, when our staff needed to rethink how to safely host events, we created Sip & Stroll, a socially distanced, outdoor happy hour, which quickly became a favorite event for the community.

### **Renovations to the Stupp Center**

Using a combination of a generous gift from the Spoehrer Family Charitable Trust and city-funded sales tax revenue, Tower Grove Park renovated the Stupp Center to include gender-inclusive restrooms and a catering kitchen for private events. The new design was created by Trivers Associates with thoughtful attention to accessibility and inclusivity to accommodate the needs of all park visitors regardless of age, gender, race, or ability.

# Conservation

## **Preserving an Arboretum**

Throughout the year, our Forestry Team uses best practices to conserve the trees and maintain our standing as an accredited arboretum. In May, we partnered with the Missouri Department of Conservation (MDC) to survey two different oak tree pests: Goldspotted Oak Borer and Oak Splendour Beetle. By expanding our tree care, diversity, documentation, and educational programming, we can continue to work toward the next level of arboretum.

## **Tree Resource Improvement and Maintenance Grant**

Tower Grove Park received a generous grant from MDC to fund crucial forestry projects. Our Forestry Team completed several endeavors to improve tree quality and staff's training in arboriculture. The grant covered the exam fees for two of our staff to become certified arborists (now the park has six full-time certified arborists), and it funded the pruning of 80 large oak trees.

---

**20,000**

tulip and daffodil  
bulbs planted  
in the fall

**350**

different species of  
trees in the park

**7,000**

trees in the park  
and documented  
on our digital map

### **Leading Horticulture Program**

Our Horticulture Supervisor, Steve Hogenmiller, presented at the Missouri Parks and Recreation Association conference in February 2020 about building a horticulture program within a parks department. Tower Grove Park’s Horticulture Team—a group of only three full-time staff and many dedicated volunteers—is responsible for the stunning display beds, historic lily ponds, and all other plantings around the park.

### **Expanded Digital Map**

Part of the process of achieving arboretum status is to have a documented collection. All of our trees are digitally recorded on a public map, [towergroveparkmap.org](http://towergroveparkmap.org). We expanded the map to include virtual tree walks as well as tribute trees. The accessible, interactive GPS-enabled map makes it easy for visitors to identify and learn about trees and natural areas, like the bird garden and woodland pool.

# Membership

## **Growing Membership**

As part of our Strategic Plan, the park has focused on evolving membership. Membership sustains the trees and plants, preserves the historic pavilions, and maintains the buildings and grounds. In the fiscal year, membership more than doubled, proving the community cares about supporting the park.

## **New Member Mornings**

The Development Team was excited to offer new Member Mornings as an incentive for membership. The programs focus on wellness, education, nature, and history. The first event in January 2020 was an exclusive tour of the historic Director's Residence with former park director, John Karel.

2,000

members,  
continually  
growing year  
after year

\$35,000

raised from the fall  
membership drive  
with matching gift  
from Schlafly Beer

5,000

attendees for the  
park's signature  
fundraisers

### Matching Challenge Grant

After losing significant revenue from event and rental cancellations caused by the pandemic, we asked the community to help us keep the park open and safe for everyone by donating to match a generous challenge gift from long-time park supporter, The Caroline Loughlin Fund. By June, park supporters had exceeded the goal, raising \$107,445 total with donations and memberships.

### Strengthening Relationships

There are several signature events that have become beloved traditions within our community. Martinis at the Mansion, Terror at Tower Grove Park, and Tower Trot 5K in the fall of 2019 were successful not only in raising crucial funds for the park but strengthening relationships with donors and sponsors. We also presented two first-ever events, Frosted and Whiskey for the Woods, which we hope to continue for years to come.

# Education

## **Growing Education Program**

This year, our hard-working Education Team created new field trips, docent tours, programs, and at-home resources for children and adults. For students of all ages, we provided free virtual resources, such as scavenger hunts, guided nature walks, educational crafts, and more. With hands-on study, students also learned practical skills at home. Little steps, like growing vegetables or creating pollinator-friendly gardens, can add up to meaningful impact.

## **Plant it Forward**

Plant it Forward began in the fall of 2019, and with much success, it became a bi-annual campaign that engages the community in helping maintain the park's beautiful display beds. In addition to providing necessary work for the Horticulture Team, volunteers learned firsthand the types of plants in the park and how to care for them.

---

548

hours of volunteer  
and community  
service help

110

volunteers at the  
park, many new  
this year

Two

minimum free  
public programs  
per month

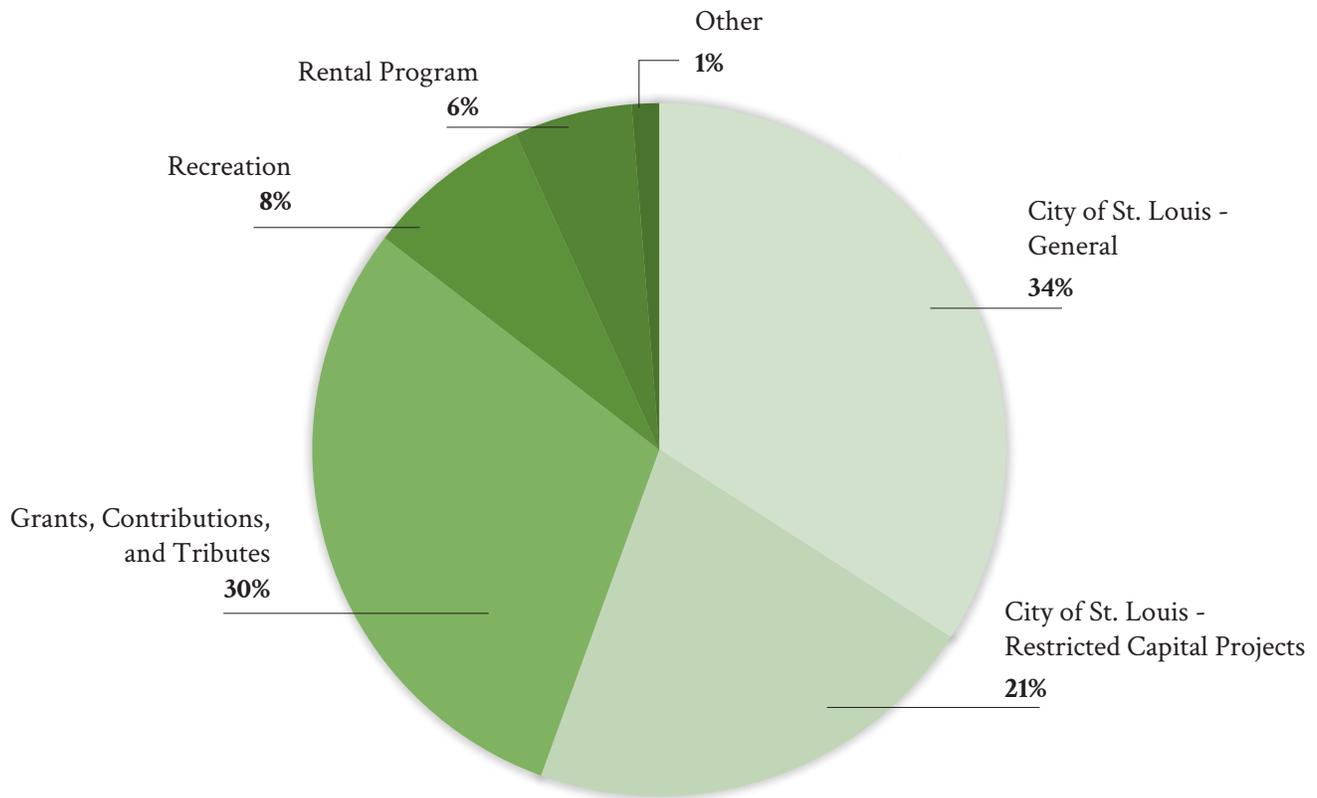

### **Educational Partnerships**

We strengthened partnerships with other organizations, like Artscope, the Missouri Department of Conservation (MDC) and the Missouri Botanical Garden (MOBOT). Throughout the year, MDC hosts additional educational programming for children and adults. In the summer, we hosted students from the MOBOT's Outdoor Youth Corps program to participate in a park-wide soil survey.

### **Collaboration in the Community**

To celebrate Black History Month, students from Tower Grove Christian Academy participated in our annual tree planting ceremony. The theme, provided by the Association for the Study of African American Life and History, was "African Americans and the Vote," chosen in honor of the centennial anniversary of the Nineteenth Amendment (1920) granting women's suffrage and the sesquicentennial of the Fifteenth Amendment (1870) giving black men the right to vote.

# Operating Revenue

## 2020 OPERATING REVENUE

*Fiscal Year: July 2019–June 2020*

### PUBLIC SUPPORT
